Current Arizona legislation mandates us to offer information regarding advanced medical directives to everyone. For the majority of people this is a positive step. Advanced directives consist of two issues: medical power of attorney and living step. Please check all that apply:

1. _____ I am interested in learning more about advanced directives.
2. _____ I have already made my advanced directives.
3. _____ I would like information regarding living wills.
4. _____ I would like information regardin medical power of attorney.
5. _____ I am not interested in information regarding advanced directives.
